OKOLONA CHAPTER U. D. C.

Miss Lotta Rubel entertained Friday afternoon in her usual gracious manner, assisted by Mesdames Rubel, Rosensteel, Rheinhamer and Miss Morris. Euchre was the game of the afternoon; the club prize, a pair of kid gloves, being won by Mrs. Mecklenburger, and Mrs. Eden winning the guests prize, a cut-glass Bon-Bon.

Quite a number of out of town guests were present. Choice refreshments in several courses were served. Miss Lotta thoroughly understands the art of making her guests enjoy themselves.

Little Miss Juanita Neubert entertained quite a number of her little friends with a birthday party Saturday, p. m. from 3:30 to 6:30. There were about 40 of Okolona's prettiest and brightest little girls and boys present. The color scheme, yellow and white was artistically carried out in every detail. Yellow punch was served in the hall and after games and romping the little guests were invited into the dining room where cake and white and yellow ice cream were served. The dining room was beautifully decorated with white and yellow chrysanthemums. In the center of the table stood a tall crystal candelabra holding nine white candles (representing nine bright years of the little hostess's life) shedding forth their yellow light upon the bright little faces around the table made quite an interesting tableau. At

a late hour, the little guests thanking their little hostess for their afternoon pleasure and wishing her many returns of the happy birthday wended their way homeward. Misses Chammie Miller and Sue Lee Cox assisted in entertaining.

We have just learned for a certainty that Mr. E. J. Ezell, one of the best known men in Chickasaw County and a man who has perhaps done more to build up Okolona than any other person in it, has decided to move to Texas, in fact he has already bought out a large wholesale grocery house in Palestine, Texas, and will move to that city on first of January 1906. We understand that Mr. Ezell has organized a Stock Company with a paid in capital of \$55,000.00 and has associated with him J. R. Hearne president of the Royal National Bank, A. R. Howard, president of First National Bank, of Palestine, and H. R. Moore formerly of Okolona. The business will be conducted under the firm name of Ezell Grocery Company and will do exclusively a wholesale business. Palestine is a flourishing city of about 15,000 inhabitants and is one of the best business places in Texas. Mr. Ezell is now offering his beautiful residence with all the household good for sale. The many friends of Mr. and Mrs. Ezell Edwin and Miss Mary will be grieved to see them leave Okolona. Mr. Ezell has for the past ten years been President of the Okolona Banking Co. and by his good judgment, executive ability and untiring effort this institution has grown in popular favor and become one of the leading and strongest Banks in north Mississippi. If he puts the same zeal and enthusiasm in the wholesale grocery business which is to be under his personal management, as he did in the banking business, abundant success will crown his efforts.

Home Made

Have your cake, muffins, and tea biscuit home-made. They will be fresher, cleaner, more tasty and wholesome.

Royal Baking Powder helps the house wife to produce at home, quickly and economically, fine and tasty cake, the raised hot-biscuit, puddings, the frosted layer-cake, crisp cookies, crullers, crusts and muffins, with which the ready-made food found at the bake-shop or grocery does not compare.

Royal is the greatest of bake-day helps.
